The UNIC Women's Cinema Leadership Programme is a 12-month mentoring programme for female cinema professionals. The programme provides a unique opportunity for up-and-coming women working in the exhibition sector to receive one-to-one career advice and guidance from outstanding women leaders from across the industry.

FOR MENTEES

- Develop new skills and expertise
- Boost leadership readiness
- Receive support and learn from recognised women executives from the industry
- Establish a strong professional network
- Accelerate professional and personal growth
- Increase visibility within the sector

FOR MENTORS

- Share expertise and knowledge with others
- A chance to give back to the industry
- Learn from and exchange views with other industry colleagues
- Be part of a community of inspiring women who lead change

FOR THE INDUSTRY

- Encourage the diversification of the talent pool within the exhibition sector
- Stimulate collaboration and the exchange of knowledge across the industry
- Promote a culture of change within the industry that values growth and equal opportunities

The International Union of Cinemas (UNIC) is the European grouping of cinema trade associations and key operators, representing 37 territories. We promote the cultural, social and economic benefits of a vibrant cinema-going culture in Europe, providing a strong and influential voice for European cinema operators on issues of shared interest.

UNIC believes that gender-balanced leadership in cinema exhibition is an imperative for business growth, better governance and more equity.
